¹For counting purposes, one offense is counted for each victim of a "crime against person." One offense is counted for each distinct operation of "crime against property," regardless of the number of victims.

²The term "victim" may refer to a person, businesses, institution or society as a whole. The total number of victims in a given incident is the sum of victims associated with each offense that took place within the incident.

³The term "known offender" does not imply that the identity of the suspect is known, but only that an attribute of the suspect is identified which distinguishes him/her from an unknown offender.
